

Greetings from Lotus Travel!

Are you and your family ready for an incredible journey?

Your departure date is coming up so here is an important consideration:

TRAVEL INSURANCE – Lotus Travel recommends that all families consider purchasing travel insurance. With the unforeseen challenges in today's global economy, unexpected natural disaster occurrences or the bankruptcy of certain airlines, we want you to travel with peace of mind. These days, travel insurance is much more than just protecting your savings against travel complications; it goes further to protect your family and your travel companions against medical emergencies and unfortunate events. Will you be purchasing travel insurance for this trip?

- YES (I will be purchasing the offered plan)
- YES (I will be purchasing my plan elsewhere)
- NO

We advise that you purchase your trip protection plan as soon as ANY initial trip deposit has been applied or when you receive your travel invoice, whichever occurs first.

Lotus Travel offers **Travel Select**, which is customizable travel protection for families. One may also choose upgrades, such as for Cancel for Any Reason and other important features.

TRAVEL PROTECTION PLAN WAIVER

FAX COMPLETED FORM TO (425) 484 2133

For questions, call Toll-free No: 1-800-956-8873 or email to cel@lotustours.net

Lotus Travel recommends every family to purchase a Travelex Travel Protection Plan to help protect you and your family along with your trip investment before traveling. Due to the risks involved with being uninsured for your trip, Lotus Travel asks you to show proof of travel insurance prior to departure.

If you choose not to purchase insurance coverage prior to traveling, it is standard policy that we obtain a signed waiver that releases any interest. By signing below, you release interest in obtaining travel insurance for your trip and understand that Lotus Travel is not responsible for any medical conditions, trip cancellation, trip interruption, trip delays or loss of life during your trip for you or any family members accompanying you on this trip.

Before signing below, please consider these questions:

- Does your medical insurance cover you outside of the U.S.?
- Can you afford to be medically evacuated (estimated at \$100,000+)?
- What if your baggage is lost, stolen, or delayed and your identity is compromised?
- What if you need to interrupt your trip due to a family emergency at home and need to return to home immediately – are you covered?
