

Protect your family and investment with The Travelex Travel Select Plan

Why do I need travel insurance?

These days, travel insurance is much more than just protecting your savings against travel complications. It goes further, to protect your family and traveling companions against unfortunate events that may happen during your trip such as:

- Your (adoptive) child becomes ill and needs emergency medical treatment (Most medical insurance plans do not cover outside the US)
- Your flight is canceled or delayed for more than 5 hours, resulting in loss of non-refundable hotel and tour expenses
